VEHICLE SALES & FINANCE LIMITED (the Lender)
CREDIT AND SECURITY CONTRACT

This is a binding and enforceable contract between you and the Lender. Before entering into this contract, we advise that you seek independent legal advice.

This Credit and Security Contract is made on the date shown in the schedule below (Schedule B) between the Lender and you (the Borrower). This Credit and Security Contract includes without limitation: Schedule A - Vehicle Description, Schedule B - Loan Advance to Purchase Vehicle, Schedule C - Security Deed, Schedule D - Disclosure Statement for Consumer Credit Contracts, Schedule E - Mechanical Breakdown Warranty, Schedule F - Particulars of Insurance, Schedule G – Next of Kin Details, and any other attachments as required from time to time.

Background - The Lender has agreed at the request of the Borrower to lend to the Borrower the total advance shown in Schedule B to enable the Borrower to purchase the Vehicle shown in Schedule A. The Borrower shown as the owner of the personal property security detailed in Schedule C have agreed to grant a security interest in that property, including the Vehicle, to the Lender.

Obligation - The Borrower (jointly and severally if more than one) acknowledge their indebtedness to the Lender for the total advance set out in Schedule B and promise to pay that amount and any other amounts due under this Credit and Security Contract in the manner set out in the Schedules below and any variations of it and otherwise promise to comply with the terms and conditions of this contract.

SCHEDULE A – VEHICLE DESCRIPTION (known as the "Vehicle")

This being the vehicle you are purchasing.

(Details of the vehicle being purchased will appear here)

SCHEDULE B – LOAN ADVANCE TO PURCHASE VEHICLE

_____

SCHEDULE C - SECURITY DEED

Personal Property (collateral)	A security interest as defined in section 17 of the Personal Property Securities Act 1999 secures payment of all the Borrower's obligations under this Credit and Security Contract, to the extent of the value of the **security interest**, in:
Motor Vehicle(s):	**The Vehicle (as referred to in Schedule A)**
Other Personal Property:	

Description: GENERAL SECURITY AGREEMENT OVER ALL PRESENT AND AFTER ACQUIRED ASSETS AND PROPERTY

Any other land as detailed in the above Schedule and otherwise all present and after acquired Personal Property of the Borrower.

Real Property (land to be mortgaged)	If required the Borrower will give to the Lender an all obligations mortgage of land securing payment of all money secured and performance of all the Borrower's obligations under this Contract, to the extent of the value of the land, and any other land which you the Borrower owns or may own in the future;

The Security Interest is to secure payment to the Lender of the money secured and also to secure your performance of all other terms of this Contract. The Vehicle used as the Security Interest cannot be used as security to another party.

_____

Privacy Waiver

The Borrower(s) authorise **Vehicle Sales & Finance Limited** (the Lender), and its authorised employees, agents, contractors, representatives, insurers, debt collection agencies, repossession agents, tracing agents, legal representatives, professional advisers and service providers, to collect, obtain, verify, record, hold, store, use, exchange and disclose personal information about the Borrower(s), both now and in the future, for purposes reasonably connected with assessing, administering, monitoring, managing, enforcing or recovering any application, loan, finance agreement or security interest.

The Borrower(s) expressly authorise the Lender to **obtain information from any current or previous finance company, lender, creditor, credit provider, financial institution or other person or organisation that has provided, considered providing, administered or otherwise dealt with credit or finance for the Borrower(s)**.

This authority includes obtaining information about **current and previous finance, loans, credit facilities, hire purchase agreements and other financial arrangements**, including amounts borrowed or owing, repayment history, late or missed payments, arrears, defaults, dishonours, hardship arrangements, variations, existing financial commitments, enforcement or recovery action, security interests, and the Borrower(s)' conduct and performance under previous or current finance arrangements.

The Borrower(s) expressly authorise such finance companies, lenders, creditors, credit providers and financial institutions to **release information to Vehicle Sales & Finance Limited upon request**, to the extent permitted by law.

The Borrower(s) authorise the Lender to obtain, verify and exchange information with **credit reporting agencies, other lenders and finance companies, financial institutions, employers, accountants, referees, insurers, Government agencies and departments, Waka Kotahi NZ Transport Agency, the Ministry of Justice, Courts and Tribunals, debt collection agencies, tracing and repossession agents, legal representatives, professional advisers and service providers**, where reasonably necessary for a purpose authorised by this Privacy Waiver or otherwise permitted by law.

The Borrower(s) authorise the Lender to **verify, update and cross-check information** provided by the Borrower(s) against information obtained from third parties, external databases, credit reporting agencies, Government agencies, public records and other lawful sources, including information relating to the Vehicle, its registration, ownership, Warrant of Fitness, insurance, location and security interests.

The Borrower(s) acknowledge and agree that the Lender may collect personal information indirectly from third parties and external sources, including other finance companies, lenders, credit providers, credit reporting agencies, Government agencies, employers, insurers and external databases. Where required by Information Privacy Principle 3A (IPP3A) of the Privacy Act 2020, the Lender will take reasonable steps to ensure the Borrower(s) are aware of the collection, the purpose of the collection, the intended recipients, the Lender's identity and contact details, and their rights to access and correct their personal information.

Where reasonably necessary, the Lender may use or disclose information to **locate the Borrower(s) or Vehicle, assess or manage risk, investigate suspected fraud or misrepresentation, manage arrears or default, protect or enforce its security interest, arrange recovery or repossession, recover amounts owing, or take legal, regulatory or enforcement action**.

Where the loan, debt, Contract or the Lender's rights are **assigned, transferred or sold**, the Borrower(s) authorise the Lender to provide relevant personal information and loan records to any proposed or actual assignee, transferee, purchaser, funder, servicer or other person involved in that transaction, to the extent reasonably necessary and permitted by law.

The Borrower(s) authorise the Lender to use and disclose personal information where reasonably necessary for **legal, regulatory, compliance, audit, accounting, reporting, fraud prevention, dispute resolution, complaint handling, debt recovery or enforcement purposes**, or as otherwise required or permitted by law.

The Borrower(s) acknowledge that personal information may be retained for as long as reasonably required for the purposes for which it was collected, including **record keeping, audit, legal, regulatory, compliance, dispute resolution, debt recovery and enforcement purposes**, subject to applicable law.

The Borrower(s) acknowledge that this Privacy Waiver constitutes their authority for the Lender to make the enquiries and obtain the information described above **without requiring a separate authority from the Borrower(s) on each occasion**, provided the enquiry, collection, use or disclosure is for a purpose authorised by this Privacy Waiver and permitted by applicable law.

Nothing in this Privacy Waiver limits any rights or protections the Borrower(s) have under the **Privacy Act 2020, the Credit Contracts and Consumer Finance Act 2003, or any other applicable law**.

Borrower Acknowledgement and Authority

By signing below, the Borrower(s) confirm that they have read, understood and agree to this Privacy Waiver and expressly authorise Vehicle Sales & Finance Limited to collect, obtain, verify, use, hold, exchange and disclose their personal information in accordance with the terms above.

SCHEDULE D - DISCLOSURE STATEMENT FOR CONSUMER CREDIT CONTRACTS

Disclosure includes all information provided in this Contract and Schedules and is not limited to Schedule E

IMPORTANT – The Lender is required to provide you with this disclosure statement under section 17 of the Credit Contracts and Consumer Finance Act 2003. This document sets out the key information about your consumer credit contract. You should read it thoroughly. **If you do not understand anything in this document, you should seek independent advice**. You should keep this disclosure statement and a copy of your credit contract in a safe place. This disclosure statement will be provided to you prior to you signing or entering into this contract. The law gives you a limited right to cancel the consumer credit contract. The Lender may, from time to time, make changes to its disclosure statement. A copy of the disclosure statement can be found on the Lenders website www.vehiclesalesfinance.co.nz

See the statement of right to cancel for full details of your right to cancel. *Note that strict time limits apply.*

Payments - You are required to make each payment in the amount specified and at the time specified.

Total amount to be advanced to you as per Schedule A - Loan Advance	Total number of weekly payments commencing: [DATEFIRSTPMT1]	[PMTFREQ1] amount	Last [PMTFREQ2] payment amount	Total interest amount at [INTERESTRATE1] per annum fixed from the date of advance	Total amount of Advance plus interest
[OPENINGBAL1]	[TERM1]	[FIRSTPMTAMT1]	[FINALPMT1]	[TotalInterest1]	[TotalPayments1]

Method of charging interest:

Interest charges are calculated by multiplying the unpaid balance at the end of the day by a daily interest rate. The daily interest rate is calculated by dividing the annual interest rate by 365. Interest is charged to your account at the end of each month.

Credit Fees and Charges – As set out in the below **Fee Schedule.** Please refer to the full Fee Schedule for details and explanations of all applicable fees and charges.

VEHICLE SALES & FINANCE LTD
FEE SCHEDULE
SCHEDULE OF CREDIT FEES AND CHARGES AS PER THE CREDIT CONTRACT

The Lenders Fee Schedule can be viewed on its website www.vehiclesalesfinance.co.nz and may be amended at any time. The Lender will provide you with five working days' notice of any changes.

Credit Fees & Charges

Additional Establishment / Variation Fee — Variable [Variable] *Actual reasonable cost, quoted before the change.*
This fee may be charged only where you request an increase, extension or rearrangement of the credit and VSF undertakes additional work or incurs a reasonable cost in assessing, processing and documenting that change. The fee is variable and will reflect the actual reasonable cost to VSF in the circumstances. Relevant factors may include the stage of the loan at which the change is requested, the outstanding loan balance, the nature and extent of the change, and the additional assessment, administration and documentation required. A change requested earlier in the loan, or while a higher balance remains outstanding, may involve a greater cost or potential financial impact for VSF; however, the fee is not an automatic charge or a penalty and must be reasonably supported by the circumstances of the particular variation. The amount must be disclosed to you before you agree to the change, be permitted by the Contract and applicable law, and will not include work or costs already recovered under another fee.

Administration Fee — $75.00 per hour [LNADM]
This fee may be charged for actual, reasonable additional administration work carried out by VSF in relation to your particular loan, beyond ordinary account maintenance, where the work is not already covered by another fee. This may include additional work connected with a missed payment, breach, default, collection or enforcement, but only where the work is distinct from the activity or cost covered by any applicable default fee or other charge, and the Contract and applicable law permit it. The fact that a matter involves a default does not automatically prevent a separate Administration Fee for genuinely additional work. The same work, time or cost will not be charged twice.
Examples may include a separate account investigation or reconciliation; a detailed review of a disputed payment history or payment allocation; reviewing or documenting a payment arrangement that requires substantial additional work; preparing a specific account calculation or explanation; or other substantial administrative work connected with recovery or enforcement that is not already included in another fee or third-party cost. Routine payment processing, ordinary account maintenance and work already charged under another fee are not separately chargeable under this fee.
The fee is charged at $75.00 per hour for the actual reasonable time spent carrying out the relevant administrative work. VSF must be able to identify the work undertaken and the time reasonably spent. The same work or time will not be charged again under another fee.

Attendance Fee — From $75.00 per visit [LNATTN]
A flat attendance fee will be charged where a VSF staff member or representative actually attends your residence or another location for a specific purpose connected with your loan, a breach of your Contract, a default or your secured vehicle. The fee is charged per visit, starts at $75.00 and is

not calculated separately by mileage or travel distance. The applicable flat fee depends on the nature and purpose of the attendance. No attendance fee will be charged for a visit that did not take place. This attendance fee does not apply to attendance by a licensed repossession agent for the purpose of locating, securing, recovering or repossessing the vehicle. Repossession agent fees and associated recovery costs are separate charges and are dealt with under the relevant repossession and recovery provisions of this Fee Schedule.

Cancellation Fees — Variable [LNJDR]
If you cancel the Contract, VSF may charge only actual and reasonable costs directly incurred in connection with the cancellation, where the Contract authorises recovery and applicable law permits it. The fee is not a cancellation penalty and will not include general overhead, profit or costs already recovered under another fee. Any amount charged will be explained and supported by an appropriate breakdown.

Communication Fee — $8.00 [LNCMF2]
This fee may be charged once for a communication event initiated by VSF to you about a material matter relating to your Contract, where the fee is permitted by the Contract and applicable law. This may include communication about missed, short or late payments, account matters, payment arrangements, enquiries, disputes, changes or other matters requiring VSF to communicate with you about the administration or operation of your Contract. A communication event includes reasonable follow-up attempts about the same matter, even if VSF uses more than one telephone call, text message, email or other communication channel, or more than one staff member. Those follow-up attempts do not attract additional Communication Fees.
The Communication Fee is charged once for the communication event, not once per attempted call, message, channel or staff member. A separate fee may apply only where another fee in this Schedule has its own basis under the Contract and applicable law. The Communication Fee does not replace or exclude other fees set out in this Fee Schedule. A Letter Fee may also apply where VSF prepares and sends a letter, and an Administration Fee or other applicable fee may be charged where separate administrative work, services or costs arise. Each fee will be charged only where the relevant fee is provided for in the Contract and permitted by applicable law.

Daily Default Fee — $2.50 per day [LNDTF]
VSF does not charge penalty interest on overdue payments. Normal interest continues to accrue on the outstanding loan balance at the interest rate specified in your Contract. Instead of charging additional penalty interest, VSF applies a Daily Default Fee of $2.50 per day while the loan account remains in arrears, in accordance with the Contract and applicable law. This fee relates to the continuing administration and management of the overdue account.
The Daily Default Fee starts to accrue from the day the account first goes into default and continues for each day the arrears remain unpaid. It stops accruing when the arrears have been paid and the default has been cleared from the loan account.
For example, if a scheduled payment is missed or not paid in full and the account remains in arrears for 10 days, a Daily Default Fee of $25.00 may be charged for those 10 days. Normal contractual interest continues to accrue during this period.

Early Settlement Fee (if applicable) — Variable [Variable] Calculated in accordance with the Credit Contract and the CCCFA.
If you repay your loan early, a prepayment fee or charge for any loss incurred by VSF may apply where permitted by the Credit Contracts and Consumer Finance Act 2003.
Any fee or loss arising from early repayment will relate to the fixed-rate portion of your loan and will be calculated in accordance with the method set out in your Credit Contract. Any amount charged for a prepayment loss will not exceed the reasonable estimate of the loss caused by the early repayment. A prepayment fee is not a penalty for repaying your loan early; it may apply only to the extent that early repayment causes a recoverable loss and the charge is permitted by the Credit Contracts and Consumer Finance Act 2003.
A separate prepayment administration fee may also apply to cover the actual reasonable cost of processing the early repayment, where provided for in your Credit Contract.

Enforcement Costs — Variable [LNENF]
Actual and reasonable enforcement costs may be charged where authorised by the Contract and permitted by law. These may include third-party debt collection, repossession, court and necessary solicitor costs. Costs arising from a borrower's breach or enforcement action are generally default fees and must satisfy the statutory requirements for default fees. Where a third-party amount must be passed on at cost, VSF will not add a margin. The same work or cost will not be recovered under more than one fee.
If we take any action to enforce this Agreement, recover any amount owing, protect or enforce our security interest, including repossessing, recovering or selling any secured property, or otherwise exercise our rights under this Agreement or at law, you must immediately pay all reasonable costs, expenses, fees and disbursements incurred by us on a solicitor-client basis.
These costs include, without limitation, reasonable legal costs (including solicitor-client costs), court costs, Disputes Tribunal costs, debt collection fees, tracing fees, repossession costs, storage costs, valuation fees, auctioneer fees, process server fees, agent fees, locksmith fees, transport costs, insurance costs, investigation costs and any other reasonable costs incurred in enforcing this Agreement or exercising our rights and remedies.
For the avoidance of doubt, enforcement costs may be incurred and charged before, during or after legal proceedings, whether or not judgment is obtained.
All such costs, expenses, fees and disbursements will be payable by you on demand and may be debited to your account as they are incurred or ascertained.

Finance Establishment Fee — $300.00 [LNEST]
This fee is charged to cover part of the costs incurred by VSF in processing your finance application, assessing your financial circumstances and allocating credit.
The application process begins with the initial enquiry and preliminary submission through VSF's website. This includes completing the online pre-submission application, reviewing the information provided and sending confirmation of the pre-submission together with a list of documents required to progress the application.

VSF also completes the application process with each applicant, generally by telephone, to obtain and clarify the information required for the credit assessment.
VSF obtains and reviews the financial information and supporting documents required for each application, conducts a credit check and makes any further enquiries necessary to verify the information supplied and assess the applicant's creditworthiness before making a lending decision.
The process requires staff time to receive, review and verify information, complete the credit assessment, consider the application and, where approved, establish the finance arrangement and loan account.
The Finance Establishment Fee is a fixed contribution of $300.00 towards these costs. The actual internal cost to VSF of processing and allocating credit may be higher than the fee charged.

Letter Fee (Miscellaneous) — $25.00 [LNLTR2]
This fee may be charged where you request a separate letter or written correspondence for you or a third party, or where VSF must prepare a specific letter that is not otherwise required to be provided free of charge. If the letter arises from a breach, missed payment, default or enforcement action, the fee is treated as a default fee and may be charged only to the extent it reasonably compensates VSF for costs incurred or a reasonable estimate of loss caused by that particular default.
Examples of borrower-requested correspondence may include a letter, certificate, authority or information supplied to WINZ, an employer, a government agency, a budgeting or financial mentoring service, another organisation or another lender. The fee will not apply to information or notices VSF is legally required to provide without charge, and the same work will not be charged under another fee.
The fee is charged for the actual preparation and provision of the separate written correspondence. The amount must reasonably reflect the work and cost involved, be permitted by the Contract and applicable law, and must not duplicate a Communication Fee, Log Entry Fee, Administration Fee or another charge.

Letter Fee (Statement or Balance Request) — $25.00 [LNLTR2]
This fee may be charged where you request an additional statement, account information or other written confirmation relating to your loan that the Lender is not otherwise required to provide without charge.
The Lender provides two regular loan statements each year, generally at six-monthly intervals, free of charge to the email address provided by you at application or subsequently updated by you.
The fee may also be charged for preparing a current balance, payout or settlement figure, confirmation of the amount owing, or other additional account information requiring a separate response, statement or calculation. This includes a payout or settlement statement prepared for another finance company, lender or third party.

Loan Documentation Fee — $150.00 [LNIND]
This fee is charged to cover the costs of preparing, issuing and completing the documentation required to establish your loan contract.
Once your loan has been approved, VSF prepares a loan quote and sends it to you for consideration and approval. VSF discusses the quote with you and addresses any questions before proceeding with the loan documentation.
The loan documents are then prepared and sent to you for review before signing. Two sets of loan documents are printed for the sign-up process. A senior member of the VSF team then meets with you in person to complete the contract sign-up and ensure the required documents are signed.
The fee contributes towards the staff time and administrative work involved in preparing, issuing and completing your loan documentation.

Log Entry Fee — $8.00 [LNLF]
This fee may be charged only where VSF carries out a substantive, separately identifiable account-recording activity for your particular loan that is not merely an incidental record of a communication or activity already charged under another fee. The fee must reasonably reflect the cost of creating and maintaining that substantive record and must be permitted by the Contract and applicable law.
A substantive log entry may include recording a material payment arrangement or undertaking, a significant event affecting the secured vehicle, or information or documentation that requires a separate review and formal account record. A routine email, text message, call note, automatically generated system entry or record made as part of work charged under another fee does not, by itself, justify a Log Entry Fee.
The fee is not charged merely because the Lender receives an incoming email. A routine communication or activity should not be charged as a Log Entry Fee where it does not require a substantive account record or where the same work is already charged under another fee.

Missed and/or Short Payment Fee — $30.00 [LNMPF2]
This fee may be charged when a scheduled loan payment is not received in full by the agreed payment date. This includes situations where no payment is received or where only part of the scheduled payment is received.
During the loan application process, you are required to agree on a suitable day for making your scheduled payments. This agreed payment date is recorded in your Loan Commitments and forms part of your payment obligations under the Contract.
VSF identifies missed or short payments through its account review process. The Collections Manager checks the account, identifies the particular missed or short payment and manually enters the $30 fee onto the loan account. The fee is not automatically generated by the computer system.
Where the full scheduled payment has not been received by the agreed payment date, the payment is treated as missed or short, and the account may be in default from the following day, in accordance with the Contract and applicable law.
The fee relates to the identification and processing of that particular missed or short payment. It will be charged no more than once for the same scheduled payment. A later missed or short payment is a separate event.

Monthly Management Fee — $10.25 per month [LMGMT]
A monthly fee charged to contribute towards the fixed and ongoing costs of maintaining the loan account for the duration of the loan.
The fee is intended to contribute towards reasonable costs that VSF can attribute to the ongoing administration and maintenance of its loan accounts. These costs include the hosting and operation of VSF's loan management systems, secure cloud storage, electronic storage and retention of loan and account records, payment administration and processing, and external systems and services used to maintain, administer and manage

loan accounts. The fee represents an appropriate contribution towards these shared operational costs. It does not include profit, funding costs or costs already recovered through another fee.
The Monthly Management Fee is a fixed monthly contribution. It is not charged in respect of, and is not calculated by reference to, any individual contact, telephone call, email, text message, account note, internal log entry, collection activity or other individual action taken in relation to the loan.

Mortgage and/or Caveat Registration and Discharge Fee — $95.00 each [LNJDR]
This fee covers the reasonable cost of preparing, processing and registering a mortgage or caveat taken as security for the loan, and processing its discharge, including applicable LINZ and agency charges. Any third-party disbursement will be charged in accordance with the statutory rules applying to third-party fees. Any separate VSF administration component must be identified, reasonably reflect the work performed and not duplicate another fee.

Other Fees — Variable [VARIABLE]
Other Fees at the start of the loan may cover costs such as vehicle transport or consolidating a balance still owing from a previous loan. If applicable, see "Loan Advance" in the Contract.
Other Fees may be charged during the loan term only where a specific cost or service is authorised by the Contract and may lawfully be recovered from you. The amount charged must be reasonable, relate to your particular loan or to a specific breach or enforcement event, and be supported by the work carried out or the cost actually incurred. A cost will not be charged again if it has already been recovered under another fee.
Depending on the circumstances and the Contract, recoverable costs may include reasonable legal costs, court or Disputes Tribunal costs, debt collection and tracing costs, valuation fees, auctioneer fees, process server fees, agent fees, locksmith fees, vehicle transport and recovery costs, insurance costs, investigation costs and storage costs. These examples do not mean that every cost will automatically be charged.
Where VSF pays a third-party invoice or charge for which you are responsible under the Contract, VSF may seek reimbursement of the amount lawfully recoverable. Any discount, rebate, refund or allowance received or receivable in relation to that cost will be taken into account. Where the law requires a third-party cost to be passed on at cost, no additional amount or margin will be added.
The examples above are not exhaustive. Any other cost may be charged only if the Contract authorises its recovery, the cost is sufficiently connected to your particular loan, vehicle, breach, default or enforcement event, and the amount is reasonable and permitted by law.
This may include reasonable costs directly arising from a breach of your vehicle-related obligations, including necessary repairs, registration or Warrant of Fitness work, where the Contract makes you responsible for that work. Costs must be supported by appropriate records or invoices.
General business overheads, ordinary operating costs, profit and costs already recovered under another fee will not be charged as separate costs.

PPSR – Personal Property Securities Register Fee — $20.00 [LNRPV]
This fee covers preparation and registration of the Lender's security interest on the Personal Property Securities Register.

Repossession Warning Notice (RWN) — $50.00 [LNLTR2]
This fee is charged where VSF prepares, processes and serves a statutory Repossession Warning Notice (RWN) in accordance with the Credit Contracts and Consumer Finance Act 2003. The fee reflects the costs associated with preparing, processing and serving the notice and is charged in accordance with the Contract and applicable law.
A Repossession Warning Notice is generally required before repossession and provides the borrower with the statutory opportunity to remedy the default. A prior warning notice is not required in the limited circumstances where the Act permits repossession without notice because the goods are at risk.
This fee will not be charged if the Repossession Warning Notice is not prepared and served.

Security-at-Risk Notice (SARR) — $150.00 [LNLTR2]
This fee will be charged only where VSF undertakes and records a separate assessment that the vehicle or VSF's security interest is at immediate or significant risk, and prepares and issues a Security-at-Risk Notice. This notice is separate from the statutory Repossession Warning Notice (RWN) and does not replace any notice required by the Credit Contracts and Consumer Finance Act 2003.
This may apply where circumstances indicate urgent action is required to protect or recover the vehicle, including where the vehicle is believed to have been sold, transferred, concealed or disposed of without authority; the loan is seriously in arrears; the vehicle is not adequately insured, registered or warranted; the whereabouts of the vehicle or Borrower are unknown; or other circumstances reasonably indicate that the Lender's security is at risk.
The fee will be charged only where the separate risk assessment has been carried out and the Security-at-Risk Notice has been prepared and issued. The fee reflects the cost of undertaking the risk assessment and preparing and issuing the notice. It does not include the cost of instructing a repossession agent, attending the vehicle or carrying out recovery work, where those activities are charged separately.

Surrender / Repossession Fee — Variable [Variable]
Where a vehicle is voluntarily surrendered by the Borrower or repossessed by VSF, VSF may recover the costs associated with taking possession of, recovering and dealing with the vehicle, where those costs are provided for under the Contract and permitted by applicable law. These costs may include repossession agent charges, recovery, storage, transport, valuation and costs associated with preparing and selling the vehicle. Third-party costs will be supported by invoices or other relevant records.
The Borrower is responsible for properly maintaining and caring for the vehicle in accordance with the Contract, including maintaining registration and a current Warrant of Fitness where required. Where a vehicle is surrendered or repossessed in a condition that breaches these obligations, VSF may recover reasonable repair, maintenance or restoration costs directly attributable to that breach. This may include mechanical, panel or body damage repairs, necessary maintenance, and costs of restoring or obtaining registration or a Warrant of Fitness where these were the Borrower's responsibility. Such costs will be supported by invoices, assessments or other relevant records. Ordinary wear and tear, pre-existing damage and general refurbishment are not automatically the Borrower's responsibility.
All recovery, repossession, storage, transport, repair and associated costs will be charged in accordance with the Contract and applicable law.

Travel Fee - Variable [LNJDR]
Travel fee if any staff member of ours, or our agents, finds it necessary to travel to visit you or any other Borrower listed in the agreement or otherwise to attend any meeting or any court or tribunal. Mileage may be charged at the current rate recommended by the Inland Revenue Department.

Vehicle-Related Costs Paid on Your Behalf — Variable [LNJDR]VSF may pay certain costs on your behalf where these relate to the vehicle financed under your Contract. These may include registration, insurance, tyres, repairs, maintenance, vehicle impound fees, storage charges, towing and transport costs, including transporting vehicles to or from impound facilities, repair workshops or other locations.
Where VSF pays these costs on your behalf, the amount paid may be charged to your loan account where you are responsible for the cost under your Contract and where permitted by the Contract and applicable law. The amount charged will reflect the actual cost paid by VSF and will be supported by relevant invoices, receipts or other records. The amount paid will be debited to your loan account and added to the outstanding balance. Interest will be calculated on the outstanding balance in accordance with the Contract.
A separate administration fee may be charged where VSF carries out additional, identifiable work in arranging, processing, verifying, renewing, paying, recording or maintaining vehicle-related services or expenses on your behalf. This may include arranging payments for registration, insurance, tyres, repairs, maintenance, impound fees, storage, towing or transport. The administration fee must be permitted by the Contract, reasonably reflect the work and cost involved, and must not charge again for work already included in another fee. Vehicle-related costs paid on your behalf during the loan are distinct from repossession, surrender and recovery costs, which are addressed separately below. The same expense must not be recovered under both provisions.

FEE SCHEDULE – BORROWER ACKNOWLEDGEMENT AND ACCEPTANCE

By signing below, I/we acknowledge and confirm that:

1. I/we have received and read the complete Fee Schedule provided by Vehicle Sales & Finance Ltd in connection with my/our Credit Contract.
2. I/we have read each individual fee and charge listed in the Fee Schedule, including the amount or applicable rate shown for each fee.
3. I/we have read the full description and explanation provided underneath each individual fee and charge and understand the circumstances in which it may apply and the nature of the work, service, cost or expense to which it relates.
4. I/we have had the opportunity to read and consider all fees, charges, amounts, rates, conditions and descriptions contained in the Fee Schedule.
5. I/we understand that different fees and charges may apply at different stages of the loan, including establishment and administration, missed or late payments, default, enforcement, repossession, requests for information or documentation, changes to the loan, early settlement, cancellation and discharge of security. The Fee Schedule can be viewed on www.vehiclesalesfinance.co.nz.
6. I/we understand that certain fees and charges are stated as variable or up to a specified amount, and that the amount charged may depend on the circumstances and the work, services, costs or expenses incurred, as described in the Fee Schedule.
7. I/we understand that where the Fee Schedule refers to reasonable costs, actual costs or variable costs, the applicable amount may depend on the circumstances of the loan and the services or enforcement action required.
8. I/we understand that where VSF incurs a third-party cost on my/our behalf, including costs relating to the loan, vehicle, account, enforcement, recovery or exercise of the Lender's rights and remedies, I/we are responsible for reimbursing VSF for that cost, and the Lender may recover it in accordance with the Credit Contract, Fee Schedule and applicable law.
9. I/we have had the opportunity to ask VSF questions about any fee, charge or description in the Fee Schedule that I/we do not understand.
10. I/we understand the fees and charges set out in the Fee Schedule and the descriptions explaining when and why they may apply.
11. I/we understand that signing this acknowledgement does not mean every fee or charge listed will necessarily be charged. A fee or charge will apply only where the relevant circumstances occur, the fee is authorised by the Credit Contract and it is permitted by applicable law. This acknowledgement does not waive any rights I/we have under the Credit Contracts and Consumer Finance Act 2003 or any other applicable law, and does not make an otherwise unreasonable fee recoverable.
12. I/we acknowledge that the Fee Schedule forms part of the credit documentation provided in connection with my/our loan.

BORROWER ACKNOWLEDGEMENT

I/we specifically acknowledge that I/we have read the Fee Schedule in full, including every individual fee and charge and the complete description and explanation provided underneath each fee. I/we understand the circumstances in which the fees and charges may apply and have had the opportunity to ask questions or seek clarification before signing.

By signing below, I/we confirm that the above statement is true and correct.

CONTINUING DISCLOSURE

The Lender may be required to provide you with regular statements. The statements will give you information about your account. Statements will be provided on a 6 monthly frequency OR upon request at the cost shown in the Credit Fees and Charges section above.

STATEMENT OF RIGHT TO CANCEL

NOTE: THERE ARE STRICT TIME LIMITS FOR CANCELLATION

The Credit Contracts and Consumer Finance Act 2003 gives you a right for a short time after the terms of this contract have been disclosed to you to cancel the contract.

HOW TO CANCEL

If you want to cancel you must give written **notice to the Lender of the cancellation within 5 working days** from the date this disclosure was made. You must also return to the Lender any advance and any other property received by you under the contract.

TIME LIMITS FOR CANCELLATION

If the disclosure documents are handed to you directly you must give notice that **you intend to cancel within 5 working days** after you receive the documents. If the disclosure documents are sent to you by electronic means (for example, email) you must give notice that you intend to cancel within 7 working days after the electronic communication is sent. If the disclosure documents are mailed to you, you must give the notice within 9 working days after they were posted. Saturdays, Sundays, and national public holidays are not counted as working days.

What you may have to pay if you cancel

If you cancel the contract the Lender can charge you:

(i) The amount of any reasonable expenses the Lender had to pay in connection with the contract and its cancellation (including legal fees and fees for credit reports, etc) and

(ii) Interest for the period from the day you received the advance until the day you repay the advance.

If you wish to keep the property (including vehicles) you must pay the unpaid balance within 15 working days of the day the notice is given.

This statement only contains a summary of your rights and obligations in connection with the right to cancel. If there is anything about your rights or obligations under the Credit Contracts and Consumer Finance Act 2003 that you do not understand, if there is a dispute about your rights, or if you think that the Lender is being unreasonable in any way, you should seek legal advice immediately.

WHAT COULD HAPPEN IF YOU FAIL TO MEET YOUR COMMITMENTS

The Lender has an interest in the Vehicle and/or property (collateral and real property) detailed in Schedule C (and on any attached schedules if used) to secure performance of your obligations under the contract, or the payment of money payable under the contract, or both.

If you fail to meet your commitments under the contract, then to the extent of the security interest the Lender may be entitled to repossess and sell this property and the money you owe will be deemed as a disputed debt and the Lender will have the right to seek the Courts assistance in the recovery of the debt at your cost.

Default

The Borrower is in default under this Contract if the Borrower fails to meet any commitment, obligation or requirement imposed on the Borrower by this Contract, including by failing to make a payment when due or by breaching any term or condition of this Contract.

Without limiting the general meaning of default, the Borrower will be in default if the Borrower:

(a) fails to make a payment or other amount payable under the Contract when due;
(b) makes a late or short payment;
(c) fails to comply with any obligation or requirement under the Contract;
(d) fails to maintain, protect or properly care for the Vehicle as required by the Contract;
(e) fails to maintain the Vehicle's required Warrant of Fitness, registration or insurance where required under the Contract;
(f) sells, transfers, gives away, disposes of, conceals or otherwise deals with the Vehicle in a manner inconsistent with or prejudicial to the Lender's security interest;
(g) damages, endangers, conceals, impairs or otherwise prejudices the Lender's security interest; or
(h) otherwise breaches a term of the Contract.

Default Reporting

If you fail to meet your commitments under the contract the Lender may provide information about that default to Equifax NZ, or any other such Credit Agency, for credit reporting purposes who may give information about the default to their customers.

In the event of any default in payment and while the default continues you must pay the Default Fees on any unpaid balance. If you breach any of your obligations under this agreement, or enforcement action is required, you may be charged the applicable fees and costs as outlined in the Fee Schedule.

WHAT TO DO IF YOU SUFFER UNFORESEEN HARDSHIP

If you are unable reasonably to keep up your payments or other obligations because of illness, injury, loss of employment, the end of a relationship, or other reasonable cause, you may apply to the Lender for a hardship variation.

To apply for a hardship variation, you need to:

(a) Make an application to the Lender in writing, along with documentation which will support the application; and
(b) Explain your reason(s) for the application; and
(c) Request one of the following:
    - An extension of the term of the contract (which will reduce the amount of each payment due under the contract; or
    - A postponement of the dates on which payments are due under the contract (specify the period you want this to apply); or
    - Both of the above; and
(d) Give the application to the Lender; and
(e) Every application will be considered based on its merits, and the liability for the Borrower to fulfil its obligations under the Contract.

We urge you to make this application as soon as you become aware that you may not be able to meet your obligation. If you leave it for too long, the Lender may not have to consider your application (as per Section 57 of the Credit Contracts and Consumer Finance Act 2003)

We would also encourage you to make contact with an Independent Financial Mentor or Budgeting Advice Service. Confidential advice is offered free of charge by many organisations including:

The Salvation Army www.salvationarmy.org.nz 0800 530 000
Christians Against Poverty www.capnz.org 0508 227 111

DISPUTE RESOLUTION

We maintain a procedure for handling any complaints by clients, designed to ensure that a complaint is dealt with promptly and fairly. If you have a complaint about our services or charges, you may refer your complaint in writing via email to sue@maxamise.co.nz or by post to Vehicle Sales & Finance Ltd. P.O. Box 208 Paraparaumu. Anything received will be reviewed by the Lender, within three weeks of its receipt and accordingly you will be advised of the outcome. If you are not satisfied with that person's response to your complaint, you may refer your complaint to The Financial Services Complaints Ltd (FSCL) – A Financial Ombudsman Service.

It is free to make a complaint to this independent dispute resolution scheme. This scheme can help you to resolve any disagreements you have with the Lender.

_____

MECHANICAL BREAKDOWN WARRANTY

HOW DOES THE CONSUMER GUARANTEES ACT (CGA)COMPARE WITH THE VSF WARRANTY?

The following is a summary of the protection provided by the Consumer Guarantees Act (CGA) and the VSF Mechanical Breakdown Warranty.

WARRANTOR	OPTIONAL VSF WARRANTY
Vehicle Sales & Finance Limited 5 Kodex Place, Paraparaumu 5032 0274 426 376 | sue@maxamise.co.nz	Price: $880.00 | Term: 12 months $350 excess per accepted claim Up to $1,200 paid by VSF per accepted claim

COMPARISON CHART

A summary of the cover provided by the CGA and the VSF Mechanical Breakdown Warranty

RISK TO CONSUMER	CGA RESPONSE	VSF WARRANTY RESPONSE
Wear and tear	No cover (as long as vehicle of acceptable quality)	Normal wear and tear and consumable items are not covered.
Dealer no longer in business	Your options depend on the circumstances and whether another party is legally responsible.	No cover under the VSF warranty.
Vehicle age and kilometres	The vehicle's age, kilometres, price, condition and history are relevant when assessing what a reasonable consumer would expect. The CGA does not set one fixed age or kilometre limit for all vehicles.	Schedule E does not specify a separate vehicle-age limit. Normal private use is approximately 10,000–12,000 km per year.
Fault or failure & Fault diagnosis	The dealer may need to remedy a fault if the vehicle does not meet a CGA guarantee. The dealer should be given a reasonable opportunity to assess and remedy a problem that is their responsibility.	Cover applies to the listed components and systems, subject to the warranty terms and exclusions. VSF may require diagnosis by a repairer approved by VSF. Contact VSF before authorising repairs.
Neglect and poor maintenance	The CGA may not require the dealer to fix a fault caused by misuse or lack of reasonable care after purchase. The cause and circumstances matter.	A claim may be declined if neglect or poor maintenance caused or contributed to the failure, including missed servicing, incorrect or low fluid levels, ignoring warning lights, overheating, leaks or unusual noises, or continuing to drive when this may cause further damage.
Servicing	The CGA does not set a specific servicing interval. Maintenance and the cause of the fault may still be relevant.	Service every 6 months or 8,000 km, whichever comes first, through an appropriate professional repair business. Keep service records.
Claim costs	The CGA does not have a fixed excess or the VSF warranty's $1,200 claim limit. Rights and remedies depend on the circumstances.	$350 excess per accepted claim. VSF pays up to $1,200 per accepted claim. An accepted claim does not end the warranty; cover continues for the full 12 months.
Out-of-town breakdown	The CGA does not automatically provide roadside assistance, towing, accommodation or a rental vehicle.	No roadside assistance or out-of-town breakdown benefits are included.
Flat battery, lost keys, flat tyre or out of fuel	No Cover	Not covered by the VSF warranty.
Commercial and business use	The CGA generally applies to vehicles bought for personal, domestic or household use. Different rules may apply to business purchases.	The warranty is for ordinary private passenger use only. Commercial, business, delivery, courier and or food delivers, rideshare, Uber and rental use are excluded.
Dispute resolution	If you cannot resolve a CGA issue with the dealer, you may be able to apply to the Motor Vehicle Disputes Tribunal or another appropriate forum.	Contact VSF first through its complaints process. Other options depend on the complaint and applicable scheme rules.

YOUR RIGHTS UNDER THE CONSUMER GUARANTEES ACT (CGA)

The CGA gives you legal guarantees when you buy a vehicle from a motor vehicle trader for personal, domestic or household use. These include that the vehicle is of acceptable quality, fit for any particular purpose you made known to the dealer, and matches its description. Acceptable quality takes account of things such as the vehicle's age, price, condition and the statements made about it. The vehicle should be safe, durable, free from defects and do what vehicles of that kind are normally expected to do. If a problem means the vehicle does not meet a CGA guarantee, contact the dealer and give them a reasonable opportunity to put it right where the problem can be remedied. If the dealer does not remedy the problem within a reasonable time, you may be able to have it fixed elsewhere and recover reasonable costs. If the failure is substantial, you may have the right to reject the vehicle and choose a refund or replacement. You may also be entitled to compensation for reasonably foreseeable loss or damage. Your rights depend on the circumstances and are not limited to the 12-month VSF warranty period.

WARRANT OF FITNESS

Vehicles supplied by Vehicle Sales & Finance Limited are provided with a current Warrant of Fitness (WoF), issued within the required timeframe before delivery. A WoF confirms that the vehicle met the required roadworthiness standards at the time of inspection. It is not a guarantee against mechanical failure or a substitute for the Mechanical Breakdown Warranty or your rights under the Consumer Guarantees Act 1993.

YOUR RIGHT TO CANCEL THE OPTIONAL WARRANTY

If you purchase the VSF Mechanical Breakdown Warranty, you may cancel it within 5 working days after the day you receive a copy of the warranty agreement. To cancel, contact Vehicle Sales & Finance Limited using the contact details shown on the front page of this agreement. You can give notice orally or in writing. You do not need to use special wording, but you must make it clear that you want to cancel the warranty. If you cancel within this period, VSF must refund the full warranty price immediately, without deductions. Cancelling the warranty does not cancel your vehicle purchase or loan agreement. The 5-working-day cancellation right does not apply if the extended warranty was entered into as a condition of a consumer credit contract. If VSF fails to meet the extended warranty disclosure requirements, you may have a right to cancel at a later time, unless the failure is minor and does not materially prejudice you. These cancellation rights are set out in section 36V of the Fair Trading Act 1986.

PLEASE NOTE: This is a summary only. Read the full warranty terms and exclusions in Schedule E. Nothing in the warranty limits or excludes any right that cannot lawfully be excluded. The Agreement date is shown in Schedule B.

SCHEDULE E – MECHANICAL BREAKDOWN WARRANTY

☐ I ELECT TO PURCHASE the 12-month Mechanical Breakdown Warranty for $880.00

☐ I DO NOT ELECT TO PURCHASE the Mechanical Breakdown Warranty.

The Lender offers the Borrower the option to purchase this Mechanical Breakdown Warranty. The Warranty is optional and applies only if the Borrower elects to purchase it and signs the required acknowledgement. The price is $880.00 for a 12-month Warranty Period, subject to the terms, conditions, exclusions and claim limits in this Schedule.
The purpose of this Mechanical Breakdown Warranty (Warranty) is to protect you, the Borrower, from the burden of the cost of repairs and mechanical failure if that should happen to the Vehicle. Your Vehicle was serviced when you purchased it from the Lender, and these regular services as required by the Warranty will help keep your Vehicle in good condition and enable the Lender to identify early signs of potential problems.

If your Vehicle suffers a mechanical failure of a **component that is covered by the Warranty** during the term of the Warranty, and you, the Borrower, have complied with the terms and conditions of the Warranty, then the Lender will pay the reasonable costs of having the mechanical failure repaired by a repair facility authorised by the Lender.

The Warranty is only valid if you adhere to the conditions of the Warranty.

TERMS OF THE WARRANTY

The cost of the Warranty is: $880.00

The term of the Warranty is: 12 months.

An excess of $350.00 will be applied to each and every separate accepted claim.

The maximum amount payable by Vehicle Sales & Finance Limited (VSF) for **any one claim made and accepted during the 12-month Warranty Period is $1,200.00**.

The $1,200.00 limit applies **separately to each accepted claim** and is **not an aggregate limit for all claims made during the Warranty Period**.

If it is uneconomic to repair the Vehicle, the Lender reserves the right to replace the Vehicle with a similar type of vehicle. If the Vehicle is replaced, that vehicle will be referred to as the Vehicle in relation to this contract. The replacement vehicle may differ in make, model, age, colour, mileage and specifications from the original Vehicle, provided it is, in the Lender's reasonable opinion, of substantially similar value.

If the Vehicle is replaced, the weekly repayments, as shown in Schedule D, will be no more than what the Borrower is paying currently.

COMPONENTS COVERED BY THIS WARRANTY

Components that are covered by this Warranty are:

- Engine;
- Gearbox and transmission;
- Clutch;
- Cooling system;
- Electrical system;
- Air conditioning;
- Braking system;
- Front and rear suspension; and
- Fuel system.

For the avoidance of doubt, **hybrid batteries, traction batteries, high-voltage batteries, electric vehicle battery packs, battery modules and battery cells are not covered components under this Warranty.**

Roadside Assistance – Roadside assistance is **not included in or provided under this Warranty**. You are responsible for arranging your own roadside assistance, and we strongly recommend that roadside assistance cover is included as part of your mandatory vehicle insurance.

If any repairs, services or other assistance are required and requested by the Borrower, and such repairs, services or assistance fall outside the Warranty, and the Lender agrees to provide the additional service, the Borrower consents to all costs associated with the request, including **registration and licensing costs, registration-related costs, tow and transport fees, impound fees, repair costs and any other reasonable costs incurred**, being either added to the Loan Advance or invoiced separately to the Borrower.

WARRANTY PERIOD AND MAXIMUM CLAIM

The Warranty applies for **12 months from the commencement date stated in the Agreement**.

The maximum amount payable by VSF for any one claim made and accepted during the 12-month Warranty Period is **$1,200.00**.

The $1,200.00 limit applies separately to each accepted claim and is **not an aggregate limit for all claims during the Warranty Period**.

The amount payable in respect of any accepted claim remains subject to the applicable **$350.00 excess**, the maximum claim limit, the covered components, exclusions and all other terms and conditions of this Schedule.

PRIVATE PASSENGER USE ONLY

This Warranty applies only to a Vehicle supplied for **ordinary private passenger use**, including normal personal, domestic and commuting use.

It does not apply to commercial, business, trade, courier, delivery, rental, hire, rideshare, passenger transport, racing, competition, off-road or recreational use, or any other excluded use stated in this Schedule.

Vehicle Sales & Finance Limited considers normal private vehicle usage to be approximately **10,000–12,000 kilometres per annum**.

If the Vehicle travels substantially more than this level of usage, whether over a short period or otherwise, VSF may require the Borrower to provide evidence of the Vehicle's use and purpose.

Where VSF reasonably determines that the Vehicle has been used for commercial, business, hire, rideshare, delivery, courier, passenger transport, trade-related activities or another high-intensity operating purpose, the Warranty will not apply to that use and may be treated as void from the date such excluded use commenced, subject to any rights or remedies that cannot lawfully be excluded.

CUSTOMER RESPONSIBILITY FOR THE VEHICLE

The Borrower is responsible for the proper care, maintenance and upkeep of the Vehicle.

The Borrower must:

- keep the Vehicle safe, roadworthy and properly maintained;
- promptly address faults, warning lights, overheating, fluid loss, unusual noises and other signs of mechanical problems;
- maintain appropriate levels and grades of oil, coolant and other essential fluids;
- comply with all servicing requirements contained in this Schedule;
- retain invoices, workshop reports and service records relating to the Vehicle; and
- promptly notify VSF of any mechanical problem that may give rise to a claim.

Where an allowance for ordinary vehicle costs, including servicing, maintenance, repairs, Warrant of Fitness, registration or insurance, has been included in the Borrower's assessed budget, the Borrower remains responsible for making appropriate provision for and meeting those costs.

The Warranty does not transfer the Borrower's ordinary responsibility for maintaining and caring for the Vehicle.

MANDATORY SERVICING

The Vehicle **must be serviced by an appropriate professional motor vehicle repair business at intervals not exceeding 8,000 kilometres or 6 months, whichever occurs first.**

This servicing requirement applies throughout the Warranty Period and continues for the remainder of the Loan Term, for as long as the vehicle remains subject to the Lender’s finance.

VSF is not required to monitor servicing and will not provide service reminders or notices. The Borrower is responsible for ensuring that each service is completed when due.

Servicing must be carried out by an appropriate professional motor vehicle repair business. Servicing performed by the Borrower, a family member, friend, home mechanic or any person who is not operating an appropriate motor vehicle repair business from commercial premises will not satisfy the servicing requirements of this Warranty.

The Borrower must retain all service invoices, workshop reports and maintenance records and provide copies to VSF upon request.

The service invoice or record must clearly identify:

- the Vehicle;
- the date of service;
- the vehicle odometer reading; and
- the work carried out.

Failure to comply with the servicing requirements may result in a claim being declined and/or the Warranty not applying, subject to any rights or remedies that cannot lawfully be excluded.

REPAIRS AND MECHANICAL WORK

During the Warranty Period, servicing, repairs and other mechanical work must be carried out by an appropriate professional motor vehicle repair business.

The Borrower must not carry out mechanical repairs personally or use an informal or home mechanic. **If the Borrower carries out or arranges any such repairs and a mechanical failure or other event arises from, or is contributed to by, those repairs, the Warranty will be void in relation to that failure or event.**

The Borrower must not authorise, commence or permit any inspection, dismantling, repair or replacement work to be undertaken by any third party without first obtaining the Lender's approval, except where immediate action is reasonably necessary for safety or to prevent further damage.

Where a mechanical failure occurs, VSF may require the Vehicle to be inspected and/or repaired by a repair facility authorised or nominated by VSF.

The Borrower must retain documentary evidence of all servicing, repairs and mechanical work carried out on the Vehicle.

Unauthorised repairs, inspections, dismantling or replacement work may affect the Borrower's entitlement to make a claim under this Warranty where the work is relevant to or connected with the claimed failure.

CLAIMS, NEGLECT AND FURTHER DAMAGE

The Borrower must promptly notify VSF of any mechanical problem and follow the Warranty claims procedure before authorising repairs.

If the Vehicle develops a fault, warning condition, overheating, fluid loss, unusual noise or other problem that may indicate a mechanical failure, the Borrower must take reasonable steps to prevent further damage and contact VSF as soon as reasonably practicable.

Where continued operation of the Vehicle may cause or contribute to further damage, the Borrower must **STOP DRIVING** the Vehicle and notify VSF immediately, unless continuing to operate the Vehicle is reasonably necessary to reach a safe location.

The Warranty does not cover a failure, damage or resulting loss to the extent that it is caused or contributed to by:

- neglect;
- poor or inadequate maintenance;
- improper servicing;
- unsuitable, contaminated or incorrect fluids or lubricants;
- incorrect fuel;
- continued operation of the Vehicle after a fault or warning condition has occurred;
- failure to comply with the servicing requirements;
- unauthorised repairs or mechanical work; or
- any other exclusion contained in this Schedule.

The Borrower must cooperate with VSF and any authorised repair facility in investigating and assessing a claim and must provide any information, records, invoices or other evidence reasonably required to determine whether the claim is covered.

Exclusions/ What and when the Borrower will NOT be covered.

1. No claim will be allowed:

a. if the Vehicle has not been serviced as required in clause 9 above;
b. if the failure is attributable to improper servicing or failure to maintain the correct grade and proper levels of any fluids or lubricants;
c. if the failure is attributed to the use of incorrect grade or type of fuel;
d. if the Vehicle has been used for commercial purposes, for example, deliveries, courier work, as a taxi, shuttle, or uber service or any other passenger transport service;
e. if the Vehicle has been modified in any way from the manufacturer’s specifications;
f. if the Vehicle does not have a current Warrant of Fitness or Registration (vehicle licence);
g. if repairs are required as a result of the Borrower's continued operation of the Vehicle after a defect or fault has occurred (including overheating or the loss of lubricants or coolant), or as a result of the use, addition or application of any non-standard, unsuitable, contaminated, incorrect or manufacturer-unapproved lubricant, oil, fluid or additive to any component, system or part of the Vehicle;
h. for flat, damaged, punctured or severed tyres, rims or alloy wheels;
i. for audio equipment including radios, CD’s stereos, MP3 players, aerials or carplay devices;
j. for navigation or communications systems or equipment, for example, GPS devices;
k. for lost keys, or keys locked in the Vehicle;
l. for faulty central or remote locking systems and keys;
m. for flat batteries;
n. No claim will be allowed for the replacement, repair, refurbishment, reconditioning or failure of any hybrid battery, traction battery, high-voltage battery, electric vehicle battery pack, battery module or battery cell.
o. No claim will be allowed for any deterioration, loss of capacity, reduction in performance, gradual degradation, wear and tear, imbalance, or loss of efficiency of any hybrid battery, traction battery, high-voltage battery, electric vehicle battery pack, battery module or battery cell, whether occurring gradually or suddenly.

p. Any fault, damage, loss or mechanical failure arising directly or indirectly from the condition, deterioration, failure or replacement of any hybrid battery, traction battery, high-voltage battery, electric vehicle battery pack, battery module or battery cell is excluded from cover under this Warranty.
q. for running out of fuel or any consequent damage to the engine;
r. for any service items and consumables that need to be maintained, replaced or replenished as a result of the normal operation and periodic maintenance of the Vehicle, including: Brake pads and linings; Brake drums, rotors and hydraulic components; Clutch lining; Steering system components, including bushes, bearings, joints, for example, CV joints; Spark plugs; Oil and air filters; Tyres; Light bulbs; Fuel and oil; Batteries; Hoses and belts; Exhaust system (mufflers, pipes, catalytic convertors).
s. For paintwork, panel or body work, and their components including glass, hinges, and handles, upholstery and trim.
t. For excessive use or burning of oil where no mechanical failure has occurred, and the excessive use or burning relates to normal wear;
u. For shock absorbers and the hydraulic portions of suspension components where the failure relates to fluid leakage or external seal failure;
v. For failure caused by corrosion, rust or electrolysis;
w. For any damage attributable to impact, accident, vandalism, or theft;
x. For any mechanical failure attributable in whole or in part to abuse, misuse, negligence, for example, wheelies, illegal street racing;
y. If the vehicle has been used or tested in preparation for any form of competitive motorsport;
z. For the cost of taxis, rental cars or other alternative transport;
aa. For the cost of accommodation;
bb. For any consequential loss, damage or liability, including personal liability, incurred as a result of mechanical failure;
cc. If the Lender has not been contacted before repairs are started;
dd. For diagnostic costs, unless as part of an authorised repair;
ee. For the cleaning of any components, unless the contamination has been directly caused by the mechanical failure and the cleaning is required as part of the repair process;
ff. For any costs relating to the transport of the vehicle or the parts required for its repair;
gg. For any claim that is fraudulent.
hh. For any mechanical failure, damage, defect or loss arising directly or indirectly from any modification, alteration, repair, installation, removal, adjustment or replacement of any component carried out by the Borrower or by any person who is not operating a GST-registered motor vehicle repair business from commercial premises.
ii. Where any component, accessory, performance part, electrical equipment, suspension component, engine component, transmission component or other vehicle part has been fitted, modified, repaired, adjusted or installed by the Borrower or by any person who is not operating a GST-registered motor vehicle repair business from commercial premises, this Warranty shall be void in respect of any claim arising from or connected with such work.
jj. Water Damage: For any damage caused by water ingress, flooding, immersion, storm damage or natural disaster.
kk. Contaminated Fuel: For any failure caused by contaminated, adulterated or poor-quality fuel.
ll. Unauthorised Repairs: For any repairs, inspections, dismantling or replacement work carried out without the prior approval of the Lender.
mm. Software and Programming: For software updates, programming, coding, reprogramming, calibration or electronic configuration unless required as part of an authorised covered repair.

RELATIONSHIP WITH THE CONSUMER GUARANTEES ACT

This Warranty provides contractual cover for specified mechanical failures and components described in this Schedule.

The Warranty operates alongside any rights or remedies that may apply to the Borrower under the **Consumer Guarantees Act 1993** or any other applicable New Zealand law.

Nothing in this Warranty is intended to exclude, restrict or contract out of any right or remedy that cannot lawfully be excluded, restricted or contracted out of.

Where a right or remedy applies independently of this Warranty, the existence, terms or limitations of this Warranty do not remove or reduce that right or remedy to the extent prohibited by law.

BORROWER ELECTION AND ACKNOWLEDGEMENT

IF I ELECT TO PURCHASE THE WARRANTY

I acknowledge and confirm that I have elected to purchase the **12-month Mechanical Breakdown Warranty for $880.00**.

I acknowledge that:

- the Warranty Period is 12 months from the commencement date stated in the Agreement;
- an excess of $350.00 applies to each separate accepted claim;
- the maximum amount payable by VSF for any one accepted claim is $1,200.00;
- the $1,200.00 maximum applies separately to each accepted claim and is not an aggregate limit for all claims during the Warranty Period;

- the Vehicle must be serviced at intervals not exceeding 8,000 kilometres or 6 months, whichever occurs first;
- I am responsible for retaining evidence of servicing and maintenance;
- I must promptly notify VSF of mechanical problems and follow the claims procedure;
- unauthorised repairs or mechanical work may affect my entitlement to claim;
- the Warranty applies only to permitted private passenger use; and
- the Warranty is subject to all terms, conditions and exclusions contained in this Schedule.

IF I DO NOT ELECT TO PURCHASE THE WARRANTY

I acknowledge that I have elected **not** to purchase the Mechanical Breakdown Warranty.

I understand that I will be responsible for the cost of servicing, maintenance, repairs and mechanical failures affecting the Vehicle, subject to any rights or remedies that may apply under applicable law.

My decision not to purchase the Warranty does not remove or reduce any obligation under the Credit and Security Contract to properly maintain the Vehicle or keep it warrantable, roadworthy and legally compliant, including maintaining a current Warrant of Fitness and registration where required.

I remain responsible for ordinary costs associated with ownership, maintenance, repair and lawful operation of the Vehicle, including servicing, maintenance, repairs, Warrant of Fitness, registration and insurance where required.

Even if I elect not to purchase the Warranty, I acknowledge and agree that I must still comply with the following requirements as set out in my Credit and Security Contract:

- The Vehicle must be serviced at intervals not exceeding **8,000 kilometres or 6 months, whichever occurs first**.
- I am responsible for retaining evidence of all servicing and maintenance carried out on the Vehicle.
- I must promptly notify VSF of any mechanical problems, faults or issues affecting the Vehicle.
- I must not undertake, or authorise, any repairs or mechanical work that may affect the Vehicle's condition or security without first notifying VSF and obtaining any consent required under the Credit and Security Contract.
- The Vehicle must be used solely for **private passenger use** and must not be used for commercial purposes.

BORROWER SIGNATURE AND FINAL ACKNOWLEDGEMENT

The Borrower acknowledges and agrees that:

a. The Borrower has inspected and accepted the Vehicle and is satisfied with its condition, appearance and operation at the date of delivery.
b. The Vehicle supplied matches the description set out in **Schedule A – Vehicle Description** and the **Consumer Information Notice (CIN)**.
c. The Vehicle is suitable for the purpose or purposes disclosed by the Borrower during the application process.
d. The Borrower has been given a reasonable opportunity to inspect and test drive the Vehicle before taking possession.
e. The Borrower must not authorise, commence or permit any inspection, dismantling, repair or replacement work to be undertaken by any third party without first obtaining the Lender's approval, except where immediate action is reasonably necessary for safety or to prevent further damage.
f. Any repairs, inspections, dismantling or replacement work undertaken without the Lender's prior approval may affect the Borrower's entitlement to claim under this Warranty and may affect any rights or remedies available through the Lender.
g. Nothing in this Warranty limits or excludes any rights or remedies the Borrower may have under applicable New Zealand law.

I/we confirm that I/we have **read and understood the Mechanical Breakdown Warranty**, including its terms, conditions, servicing requirements, covered components, exclusions and claim limits, and have had the opportunity to ask questions or seek clarification before signing.

I/we acknowledge that the **Warranty election made at the beginning of this Schedule is my/our election** to either purchase or not purchase the Mechanical Breakdown Warranty.

I/we understand that if I/we elected to purchase the Warranty, it is subject to all of the terms, conditions, servicing requirements and exclusions contained in this Schedule.

_____

SCHEDULE F – PARTICULARS OF INSURANCE

The Lender may arrange insurance for the Vehicle on behalf of the Borrower. **The insurance premium is payable by the Borrower directly to the insurance provider.** With the Lender's approval, the Borrower may elect to arrange their own **Full Comprehensive Insurance Cover**, provided the Lender is recorded as an interested party. The Borrower must provide the Lender with a valid insurance cover note or certificate **before taking possession of the Vehicle**, emailed to **sue@maxamise.co.nz**. The Borrower must maintain the required insurance cover for the duration of the Loan Term and provide evidence of current cover whenever requested by the Lender.

The agreed insured value under any insurance policy must, at a minimum, equal the **purchase price of the Vehicle stated in this Agreement**. Where the Borrower arranges insurance through their own provider, **the Borrower is solely responsible for ensuring that the policy provides adequate cover and an insured value equal to or greater than the purchase price of the Vehicle**.

In the event of a total loss, including where the Vehicle is written off, **any insurance payout will be applied towards the amount owing under the loan. If the insurance payout is insufficient to fully repay the outstanding loan balance, the Borrower remains fully responsible and liable for payment of the remaining balance.**

Insurance Provider: **……**

_____

Borrowers acceptance of the Credit and Security Contract:

We/ I agree and accept to be bound by all terms and conditions contained within this Credit and Security Contract and the attached terms, conditions, schedules, and disclosures.

We/ I confirm that all information that we/ I, as the Borrower, have provided to the Lender in connection with this Credit and Security Contract is complete, accurate and not misleading.

We/ I confirm and acknowledge that further terms and conditions are associated with this Credit and Security Contract which can be viewed on the Lenders website www.vehiclesalesfinance.co.nz and may be amended at any time without notification.

The Borrower hereby indemnifies the Lender against any failure for any reason on the part of any other Borrower to pay money owing or perform obligations under this Contract.

We/ I confirm that we/ I have signed this Contract of our own free will and that we are not under any undue pressure or duress to do so and that we fully understand the contents of this Contract.

Electronic Communications:

You consent to receiving communications from the Lender electronically and you agree that all agreements, notices, disclosures and other communications that the Lender provides to you electronically satisfy any legal requirement that such communications be in writing. You agree to be bound by any agreement reached through electronic communications in terms of the Contract and Commercial Law Act 2017 and Credit Contracts and Consumer Finance Act 2003 and accompanying regulations.

You consent to receiving electronic messages and information sent by the Lender for any purposes as contemplated by this Agreement.

You may provide any notice or communication as contemplated by this agreement to the Lender by way of email, such communications will be noted as received once it enters the Lenders email exchange.

MEMORANDUM OF TERMS AND CONDITIONS

You the Borrower(s) acknowledge the debt to the Lender of the initial unpaid balance and agree:

This Memorandum of Terms and Conditions must be read together with the Fee Schedule attached to and forming part of this Contract. The Fee Schedule sets out the fees and charges that may apply to the Loan and the circumstances in which they may be charged.

Adjustment of Term of Loan

If you fail to pay one or more installments in full but otherwise are paying on time, the Lender, at its absolute discretion may add the unpaid amount to the loan thus extending the term and varying the final payment or payments. The Lender may, but is not bound to, do this more than once.

If you request an increase, extension or rearrangement of your loan, any applicable fee will be set out in the Fee Schedule and advised to you before you agree to the change.

Assignment of Contract

The Lender may assign its right, title and interest in the Vehicle or in its right, title and interest in this Contract or any of them at any time.

The Consumer Guarantees Act 1993

The Consumer Guarantees Act 1993 shall not apply if the vehicle is acquired for business purposes.

Continued Obligation to make Payments

The obligation of the Borrower to pay the installments will continue notwithstanding the occurrence of any defect or breakdown in the collateral, or any failure by the Lender to perform any other obligations in this Contract. If the Lender is lending money to enable the Borrower to purchase any collateral, the Lender may pay such money directly to the vendor of the collateral. In such event the Lender may impose such conditions on the payment of the money to the vendor as it sees fit in order to protect its security interest.

If at any stage need budgeting assistance we encourage you to make contact with an Independent Financial mentor or Budgeting Advice service. Confidential advice is offered free of charge by many organisations including:

The Salvation Army www.salvationarmy.org.nz 0800 530 000

Christians Against Poverty www.capnz.org 0508 227 111

Default

The Borrower is in default under this Contract if the Borrower fails to meet any commitment, obligation or requirement imposed on the Borrower by this Contract, including by failing to make a payment when due or by breaching any term or condition of this Contract.

Without limiting the general meaning of default, the Borrower will be in default if the Borrower:

(a) fails to make a payment or other amount payable under the Contract when due;

(b) makes a late or short payment;

(c) fails to comply with any obligation or requirement under the Contract;

(d) fails to maintain, protect or properly care for the Vehicle as required by the Contract;

(e) fails to maintain the Vehicle's required Warrant of Fitness, registration or insurance where required under the Contract;

(f) sells, transfers, gives away, disposes of, conceals or otherwise deals with the Vehicle in a manner inconsistent with or prejudicial to the Lender's security interest;

(g) damages, endangers, conceals, impairs or otherwise prejudices the Lender's security interest; or

(h) otherwise breaches a term of the Contract

Default Fees and Consequences

If the Borrower is in default, the applicable Default Fees set out in the Schedule of Fees may be charged in accordance with this Contract and applicable law. No default interest is charged under this Contract.

Depending on the nature of the default, the Lender may also exercise its contractual and other lawful rights in relation to the debt and its security interest, including enforcement and repossession where legally permitted. Any enforcement, repossession or recovery action will be undertaken only to the extent permitted and in the manner required by applicable law.

Disputed Debt and Recovery

If the Borrower fails to meet the Borrower's commitments under this Contract and an amount remains owing, the Lender may, to the extent permitted by the security interest and applicable law, enforce its security and pursue recovery of the amount owing. The outstanding amount may be treated as a disputed debt where there is a dispute, default or unresolved amount requiring determination or recovery, and the Lender may seek the assistance of a Court or the Disputes Tribunal where legally available.

The Borrower remains liable for amounts properly owing under this Contract and for applicable fees, costs and disbursements to the extent lawfully recoverable.

Execution of Contract

This Contract shall be deemed to be signed by a party if that party has executed any of the following formats of the Contract: an original, a copy, a facsimile copy, a photocopy or any other electronic or any other type of copy of this Contract. The delivery by any party to the other of any type of copy of this Contract duly executed shall be deemed delivery of the original thereof and the party so delivering such copy shall deliver to the other party the original within 5 working days.

If the original documents are not delivered within the specified time, the party accepting the copy pursuant to this clause may in any court of law or other proceeding, or for the purposes of registration of any interest under the Land Transfer Act 1952, produce, or exhibit such copy as if it were the original there of and no party to this Contract may object to such copy being produced or exhibited as an original and shall be deemed to have waived any law of evidence or other requirement that an original executed document be produced or exhibited of its existence or of its contents.

This Deed may be executed in two or more counterparts, each of which (including any facsimile transmitted copy) shall be deemed an original. but all of which together will constitute one and the same instrument.

Indemnity

You indemnify the Lender and will keep it indemnified against any claim from any person relating to the collateral or the land to be mortgaged or the use thereof. If the Lender incurs any loss, liability or expense in respect of the collateral or the land to be mortgaged or this Contract as a result of any act or omission of yours then the amount of such loss, liability or expense plus goods and services tax if any, shall be payable by you to the Lender and shall become part of the money secured and the Lender may charge default interest on arrears at the end of the day outstanding until such money is paid in full.

You will and must indemnify the prior mortgagee or charge holder against any liability for making such payment and section 12 of the Contract and Commercial Law Act 2017 applies to such indemnity.
No Borrower's right of subrogation or indemnity shall arise in favour of any Borrower against the Lender until the secured money has been paid in full.

Information

You promise that all information provided by you or on your behalf to enable the Lender to decide whether or not to lend to you is true and correct and if it is found at any time to not be true and correct, the Lender may demand payment of the then outstanding balance of the loan and you will pay forthwith on such demand.

Insurance Commission

The Lender may receive commission on any insurance included in this Contract or subsequently required.

Insurance Cover

You must, at your own expense, insure and keep insured the Vehicle for its full replacement or market value (as required by the Lender) under a comprehensive motor vehicle insurance policy with an insurer acceptable to the Lender. Such insurance must include cover against accidental loss or damage, fire, theft and any other risks reasonably required by the Lender.
The Lender's interest in the Vehicle must be noted on the Cover Note / insurance policy and all insurance proceeds must, to the extent permitted by law, be payable to the Lender or as the Lender directs.
You must not do, permit or omit to do anything which may invalidate, prejudice, reduce or cancel the insurance cover. You must immediately notify the Lender of any cancellation, lapse, non-renewal, claim, loss or damage affecting the Vehicle.
Prior to delivery of the Vehicle and upon request, you must provide the Lender with copies of insurance policies, certificates of currency, premium receipts and any other information reasonably required by the Lender to verify compliance with this clause.
If you fail to maintain the required insurance cover, the Lender may (but is not obliged to) arrange insurance on your behalf and all costs, premiums, fees and charges incurred by the Lender will be payable by you and may be debited to your loan account.
Failure to maintain the required insurance cover constitutes a breach of this Agreement and places the Lender's security at risk. If the Vehicle is uninsured or the required insurance cover has lapsed, the Lender may take any action available to it under this Agreement and applicable law, including treating the Vehicle as security at risk and taking steps to protect, recover or enforce its security.

Joint and Several

All obligations on the part of the Borrowers are joint and several and the fact that an obligation, action, power or thing cannot be assumed, carried out, exercised or done by any Borrower by virtue of that person's not owning or purchasing certain property, nor the fact that any Borrower has not had any benefit from the loan of the initial unpaid balance under this Contract shall not release any other person so defined from such an obligation or from the requirement to carry out any action or to exercise any power or to do anything.

Jurisdiction

This Contract is governed by New Zealand law and the parties irrevocably submit to the jurisdiction of the New Zealand courts. Should the Borrowers wish to dispute the Lender's rights or powers or any action of the Lender in connection with this Contract, the Borrowers may only do so in the New Zealand courts. This does not limit the Lender's rights to enforce this Contract against the Borrowers or any judgment against the Borrowers or against the Borrowers' real and personal property in any country where the Borrowers or that property may be.

Marshall Clause

The Lender shall not be obliged to Marshall in your favour or in favour of any other person.

Notice provisions

Subject to any other clause of this Contract any notice, demand, letter or document for service on you shall be deemed to be properly served, in any court proceeding or otherwise, if served in accordance with the section 59A of the Credit Contracts and Consumer Finance Act 2003.
Service on you or any of you shall be deemed to have been affected if such notice, demand letter or document is handed to any person in apparent occupation of the address of the Borrower or by attaching the document to an external door at such address, or emailed to your nominated email address.
If your address is a flat or apartment or room in a building and if the Lender or its agents are unable to obtain access to such flat, apartment or room by virtue of the security system of the building or for some other reason, then service will be deemed to have been affected on you if the document is posted at the letterbox corresponding to such flat, apartment or room.
If there is no such letterbox, service will be deemed to have been affected on you if the document is affixed to what appears to be the principal external entry to the building for purposes of obtaining access to the address provided by you or if the document is given to any building manager or receptionist for the building and directed to be given to you.

Order of Payments

The Lender may appropriate any payment received from you or money which is proceeds of the sale of the vehicle or of any land to be mortgaged against any debt owed by you in any manner that the Lender may decide, notwithstanding any purported appropriation you claim to have made or the fact that the time for payment of the amount has not arrived. To the extent allowed by the law, the Lender may from time to time without notice set off against any claim or demand which you may have any claim or demand which the Lender may have against you.

Payment Dates

Payment dates are based on the assumption that the loan is drawn down on the date of the contract. The dates of payment are to be linked to the actual date of advance and will be adjusted to correspond with this date if it differs from the date of contract. If the loan is not drawn down on the date of the contract, unless agreed otherwise by the parties in writing, the date the loan is drawn down may be referred to as the date of the contract when referred to in correspondence or the issuance of notices.

Power of Attorney

In exchange for the Lender lending you the total advance (of which you are acknowledging receipt), and to enable the Lender more effectively to obtain the benefits under this Contract, each Borrower jointly and severally irrevocably appoints the Lender and any one director or manager of the Lender severally to be the attorney of each of you to execute any document for the purposes of (a) the grant and registration of any interest (including a mortgage) under the Land Transfer Act 1952 (including a mortgage of land in which any Borrower has no interest at the date of this deed) or (b) creating a security interest under the PPSA or causing one to attach.

The Borrowers ratify anything done by an attorney under this power and indemnify the Lender, and or any attorney, and will keep them indemnified against any claim from any person that relates to damages or losses caused through any act or thing done by the attorney. The Borrowers further indemnify any person acting in reliance upon the power.
If the Lender assigns the benefit of this Contract the assignee shall have the same rights and powers under this paragraph as does the Lender and each of you named as Borrower irrevocably appoints the assignee his attorney accordingly.

Privacy Waiver

Under the Privacy Act 2020, you authorise Vehicle Sales & Finance Limited, its authorised agents, contractors and service providers to collect, obtain, verify, use, hold, exchange and disclose your personal information for purposes relating to assessing, administering, monitoring, enforcing and recovering your loan and protecting the Lender's security interest.
You expressly authorise the Lender to obtain information from current or previous finance companies, lenders, creditors, credit providers, financial institutions and credit reporting agencies, including information about your borrowing, repayment history, arrears, defaults, existing commitments and enforcement activity, and authorise those parties to provide such information where permitted by law.
You acknowledge that information may be collected indirectly from third parties and external sources, including Government agencies, Waka Kotahi NZ Transport Agency, employers, insurers and external databases, in accordance with IPP3A of the Privacy Act 2020.
This authority applies now and in the future, without requiring a separatise authority on each occasion, and information may be disclosed where reasonably necessary for the administration, enforcement, assignment or recovery of the loan, or as otherwise permitted or required by law.

Personal Property Securities Act 1999 (PPSA)

If the Lender does not at any time have priority over all other secured parties in relation to any collateral then pursuant to section 107(1) of the PPSA, for the purposes of dealing with that collateral the parties contract out of sections 108 and 109 to the extent that the words "with priority over all other secured parties" in sections 108 and 109(1) shall not apply so as to restrict the Lender's ability to seize and sell the collateral. In addition, you irrevocably authorise the Lender to pay any secured party over whom the Lender does not have priority.
You agree that none of sections 114(1)(a), 133 or 134 of the PPSA will apply to any dealings with the collateral under this Contract. You further waive your right to receive any part of the surplus under section 117(1)(c) or recover it under section 119 if the Lender has in good faith made any payment to any person under sections 117(1)(a) or 117(1)(b) to which it subsequently transpires that person was not entitled. You waive your right to receive a verification statement following registration of any security interest.
You must not lodge any demand under section 162 of the PPSA unless one of more of sub-sections (a) to (e) inclusive of that section applies

Repair/ Replacement of Vehicle

The Lender may at its option elect to expend such money towards repairing, reinstating or replacing the security and in such event that repaired, replaced or reinstated security shall be deemed to be the security which is secured herein and all the provisions of this Contract shall apply as if that security had been the security described herein at the date of execution of this Contract, or the Lender may elect to have such money paid in discharge or partial discharge of the balance then owing under this Contract notwithstanding that the time for payment of the amount may not have arrived.

Repossession of Vehicle

If the Borrower is in default, or if the Lender is otherwise entitled by law to take enforcement action in relation to the Vehicle, the Lender may take steps to enforce its security interest, including taking possession of the Vehicle, only in accordance with applicable statutory requirements and enforcement processes.
The Borrower agrees to cooperate with any lawful enforcement process and not to conceal, damage, dispose of or unlawfully interfere with the Vehicle or the Lender's security interest.

Repossession, Surrender and Recovery Costs

If the Vehicle is voluntarily surrendered or lawfully repossessed, the Borrower must pay reasonable costs, fees, charges and disbursements properly incurred in connection with surrender, recovery, storage, transportation, inspection, valuation, repair, cleaning, registration, Warrant of Fitness, insurance, marketing and sale, to the extent lawfully recoverable under this Contract and applicable law.
These costs may include fees charged by a repossession agent for taking possession of and recovering the Vehicle, and costs of preparing the Vehicle for sale.
You remain responsible for maintaining and caring for the Vehicle in accordance with this Contract. Repair costs may be charged to you where the repairs are required because of damage caused by your failure to comply with this Contract. This does not include ordinary wear and tear, pre-existing damage or general refurbishment.

Security at Risk

The Borrower must take reasonable care of and maintain the Vehicle and comply with all obligations concerning possession, condition, maintenance, insurance, registration, Warrant of Fitness and lawful use.
The Lender may reasonably consider its security interest to be at risk where the Vehicle is materially damaged, deteriorating, concealed, removed, sold, transferred, given away, disposed of or otherwise placed beyond the Borrower's possession or the Lender's ability to locate, protect or recover it without the Lender's authority; **where the Vehicle is uninsured, the required insurance has lapsed, been cancelled or is otherwise not maintained;** where the Borrower fails to maintain a current Warrant of Fitness or registration; where a material safety or roadworthiness issue is not remedied; or where another act, omission or breach may materially affect the value, condition, possession, recoverability or protection of the Lender's security interest.
A circumstance giving rise to a concern that the security is at risk may also constitute a default, but the two concepts are not necessarily identical. **Any action taken by the Lender to protect or enforce its security interest, including any notice or repossession process, will be taken only where permitted and in accordance with applicable law.**

Security Interest

You must store the Vehicle at the address shown as that of its owner in the Contract. You must not allow the Vehicle to be taken out of New Zealand. You must also care for and maintain the Vehicle and comply with any laws relating to its ownership and use, including undertaking any necessary repairs required to maintain the vehicle at the roadworthy standard required by Waka Kotahi (NZTA) to achieve a current Warrant of Fitness, and by ensuring Motor Vehicle Registration for the Vehicle is current at all times. You must not use the Vehicle in any dangerous or illegal activity or for any purpose for which it was not intended. You will not alter or deface the Vehicle. You may not race the Vehicle.

You must not do anything or allow anything to happen which may impair or undermine any Borrower's ownership of the Vehicle or the Lender's security interest in the Vehicle. If you have granted security over after-acquired property and if you obtain consumer goods in future, you must appropriate those goods to the Lender's security interest.
You must not grant any other security interest over the Vehicle nor allow any lien to be created over it nor dispose of nor allow the disposal of the Vehicle by sale, gift or lease or in any other way nor cause nor allow collateral to be taken out of the possession of the Borrower who owns it, nor destroyed, damaged, endangered, disassembled, removed from the place where you are required to keep it or conceal it from the Lender or the Lenders agent.
The Borrower(s) that are the owners of the Vehicle and/or the land to be mortgaged will pay punctually all rents, rates, taxes, charges and impositions from time to time due in respect of any collateral, land and/or buildings as is security or on which the collateral or any part thereof may from time to time be situated, garaged or kept, and to produce and deliver to the Lender as and when required by the Lender the true receipts for such payments.
You must not obtain any personalised registration plate on any motor vehicle which is collateral nor otherwise alter or remove any serial number unless you first obtain the Lender's consent in writing.
From time to time if required by the Lender you must provide further security for the money secured in the form of a security interest in a motor vehicle or other goods to the value of further 100% of the money secured at that time.
You will allow the Lender, its officers or its agents, at all reasonable times, to have access to the collateral or the mortgaged land as the case may be to inspect and/or to test its condition or for any other reason.
Any accessions (including replacements and accessories) which are attached to collateral which is goods shall become part of the collateral.
From time to time if required by the Lender you must provide further security for the money secured in the form of a security interest in a motor vehicle or other goods to the value of further 100% of the money secured at that time. If you have granted security over after-acquired property and if you obtain consumer goods in future, you must appropriate those goods to the Lender's security interest.
This or any other security given by you to the Lender is each security with the other to the intent that default under any one or more of any Contract(s) of any kind between the parties shall also be deemed to be a default under all the Contracts and the Lender may exercise its powers, rights and remedies under all or any of such Contracts either separately or concurrently.
In the event that, contrary to your obligations hereunder, another security interest has priority over that of the Lender with respect to collateral, and if the Lender takes a transfer of that security interest to itself then any money owing under this Contract shall be deemed to be owing under the Contract providing for the security interest with priority and default under this Contract shall be deemed to be default under the other security Contract and vice versa.

Warrant of Fitness and Registration

You must ensure that the Vehicle maintains a current Warrant of Fitness (WoF) and current vehicle registration at all times during the term of this Agreement. You are solely responsible for ensuring the Vehicle complies with all applicable legal requirements, including maintaining the Vehicle in a roadworthy condition and to the standards prescribed by NZTA, regardless of whether the Vehicle holds a current WoF.
You must promptly rectify any defect, fault or condition identified during a WoF inspection or otherwise which may affect the Vehicle's safety, roadworthiness or compliance with applicable laws.
The WoF and registration labels must be displayed in accordance with NZTA requirements and must not be allowed to expire.
Upon request, you must provide evidence satisfactory to the Lender that the Vehicle has a current WoF and registration.
Failure to maintain a current WoF or registration may constitute a default under this Agreement and may affect any entitlement to claim under any Mechanical Breakdown Warranty provided by the Lender.
Failure to maintain a current Warrant of Fitness or current registration may also cause the Lender to deem its security interest in the Vehicle to be at risk. In such circumstances, the Lender may exercise any rights and remedies available to it under this Agreement, at law, or under any security interest held by the Lender, including requiring the defect to be remedied, demanding repayment, or taking possession of the Vehicle.

BORROWER SIGNATURE AND FINAL ACKNOWLEDGEMENT

By signing below, the Borrower(s) acknowledge and confirm that:

1. They have read and had the opportunity to read the **Memorandum of Terms and Conditions** in full.
2. They understand that these Terms and Conditions form part of the Contract with **Vehicle Sales & Finance Limited** (the Lender).
3. They have had the opportunity to ask questions about the Contract and its Terms and Conditions and are satisfied that they understand their obligations.
4. They acknowledge their responsibility to comply with all obligations contained in the Contract, including obligations relating to payments, the Vehicle, Warrant of Fitness, registration, insurance, maintenance, care of the Vehicle, and protection of the Lender's security interest.
5. They acknowledge that failure to comply with the Contract may constitute a default and may result in the Lender exercising its rights and remedies in accordance with the Contract and applicable law.
6. They confirm that the information they have provided to the Lender is true and correct to the best of their knowledge.
7. Where there is more than one Borrower, each Borrower acknowledges that their obligations may be **joint and several** as provided for in the Contract.
8. They acknowledge that they have received, or have been provided with access to, a copy of the Contract and these Terms and Conditions.

Final Acknowledgement

I/We confirm that I/we have read, understood and agree to be bound by the Memorandum of Terms and Conditions and the Contract to which these Terms and Conditions relate.
